Dear Mr. [Redacted]

Thank you for your letter of April 1, 1960. I hope that Mr. Dulles is getting some strong ultraviolet and warm, moist breezes.

My return from the United Kingdom may be delayed a few days the end of September. However, I should be back in New York during the first week of October and will communicate with Mr. Kirkpatrick by telephone at that time.

With all good wishes,

Sincerely,

Alvin F. Coburn, M. D.
Associate Professor of Pediatrics
